

SolarReserve Kotulo Tsatsi Photovoltaic Power Plant 2

Preliminary Grid Connection Alternatives

Legend

- Eskom substation
- Existing Power Line
- Railway Line
- Main road
- Existing 400kV OHL Servitude/Setback line (55m)
- New OHL 1km Corridor for 132kV line to Aries Substation
- Eskom Substation/Switching Station
- Solar Project Boundary

Layout Plan:

- Overhead Power Line Alternative 1
- Overhead Power Line Alternative 2
- Substation/Eskom Switching Station and Battery Storage Alternative 1
- Substation/Eskom Switching Station and Battery Storage Alternative 2
- PV 2 Project Development Area

Scale A3 1:137 000
 Projection: LO21 WGS 1984
